Library Fundraisers

On Saturday, September 14th at Oak Hill Bulk Food Store members of the Dundee Library will once again be working at Oak Hill's famous chicken barbeque. Also available are pulled pork sandwiches and hot dogs. Serving begins at 11am and runs until 3pm or when sold out. Proceeds will benefit the Dundee Library. This is a delicious way to support your local library.

We are asking for a few volunteers to step forward and help us to work in the kitchen to serve food and drinks to hungry customers. If you are available on that Saturday to work from 11-3, please call the Dundee Library at 243-5938 and leave your contact information with one of the clerks. We need you!

Can Returns

Anyone returning cans and bottles to the Rock Stream Redemption Center on Chase Road can ask for their premiums to be donated to the Dundee Library. This is an easy way to donate to the library. Every nickel counts and adds up over time. Thanks to those who can help.

Smile.Amazon.com

You can now help your local library by purchasing items through smile.amazon.com. When you go to this website please designate Dundee Library as the organization that will benefit from your purchase. Amazon then donates a small percentage of your purchase to the library.

We're Getting Crafty!

The next craft hour will be held the second Saturday in October (the 12th) at 11am. The project will be a spray of fall leaves and berries to hang on a door or wall. Save the date. Sign up at the library or call to have your name added to the list.

Library Building Fund

We sincerely appreciate any donations to the Library Building Fund. You may send a check made out to **Dundee Library** with the notation **Library Building Fund** on the memo line. Send it to Dundee Library, 32 Water St, Dundee, NY, 14837.

The Children's Corner

These are some beautifully illustrated books, but you will find no words at all. You may have to tell the story at first. Flora and the Penguin and Flora and the Flamingo, both by Molly Idle, Sidewalk Flowers by Jon Arno Lawson, and Weaving the Rainbow by George Ella Lyon. Can your toddler tell the story? Does he or she recognize details and facial expressions? Have fun!
